Imagine a unique safari adventure that offers both an aerial view of a game rich landscape and lets guests be one with the wildlife undisturbed while on horseback. The intimate half- or full-day experience begins on an open-sided helicopter offering uninterrupted views of roaming elephants, giraffes, zebras and other wildlife at dawn. The safari continues with a horse ride, accompanied by a specialised guide, where guests can follow animals on their daily journey, unhindered by river crossings and difficult terrain that would rule out a vehicle. Guests can retire in one of 12 tented guest rooms with private sundeck and plunge pool, and walk-in wardrobe. For more details, e-mail [safaris@belmond.com](mailto:safaris@belmond.com).
